Two new members Joined the CVOTC!...and one skinny rascal rejoined the club at the Bunn event on October 18th.

For those who did not make it you missed JIM ELLIS back on a motorcycle! He and cohort Jon Quell worked until 5am the morning of the event, trying to get a Honda reflex twinshock working, using parts from three different Hondas! He wanted to ride his beloved "Hummingbird" a Bill Grapevine NO SHOCK creation, but the motor would not cooperate.

Jim had about a half hours practice on the Honda, and still took the win in the Intermediate class. In 2nd place was our first new member Nathan Mead from Richmond Virginia, with 40 points followed by Stu Bishop with 42 and Jon Quell with 43! Jon rode another Grapevine HARD TAIL motorcycle, an Ossa. Last place was Kevin Bobal with 73 points which earned him the SPECIAL AWARD ribbon. Rumor has it he wore that ribbon proudly for the next three days!

Sportsman class had our next new member and 1st place winner: Joe Palrang. Originally from Arizona, now living in Chapel Hill N.C. Joe had only 18 points for the day! The sections for this event were harder than the event in June, and to get only 3 points on the last loop was amazing! Second place Sportman was Greg Hales with 39 points...a good ride for this event....the other scores reflected the difficulty, Robbie Morris, 3rd with 66, Brian Merritt, with 79 and Berndie with 83 points.

Winning the Expert class was Maddie Hoover with 42 points...She just got back from Spain where she helped her team at the Trials Des Nations!

All the proceeds from this event (plus a little extra kicked in by property owner Jim Ellis) came to over \$500 which will go help to the TDN fund.

Thanks to all who came out to Bunn for great weather and a fun day of riding.
