Excellent weather and great traction made for some very low scores at the Bunn event on Sept. 25th. As always, a huge thank you to Jim Ellis for providing a fun place to hang out with your riding buddies.

New this year at Bunn was a finisher pin to all who signed up. The artistry and design credit goes to advanced rider Joe Palrang, who won his class with a score of 15, narrowly edging out Steve Billman with 19.

Another tightly contested class was sportsman, with the oldest rider of the day Rusty Lacy, taking the win over the youngest rider of the day, Jon Quell. Both had 43 points, but Rusty's experience brought him the win with more cleans.

Section #1 was designed by Jon and Jim Ellis to be simple to ride, but hard to remember. The twisty "serpentine hillside" took quite a few points for being the easiest section of the day.

Maddie Hoover took top expert with 34 points for the day, and at the riders meeting, spoke of her travels through Europe this past month, competing in world rounds and the TDN.

A big thank you to everyone who helped put this event on.
