When "Hales" Freezes Over Trials Event was a perfect way to end the 2020 season. Kudos to Greg Hales for putting out twice the effort to repair the sections after Tropical Storm Eta and a huge amount of rain destroyed most of his original efforts. Thirty seven (37) riders and seven (7) sections ridden four (4) times were managed by a perfect loop that kept riders nicely spaced and avoided long queues at sections. Results posted below.

Results:

EXPERT

Nick Fonzi 10
Jeff Hensley 47
