The weather was perfect for the Cvotc April event in Skipwith, Va. With temps. in the 50s and great traction. Bob O Sullivan did a great job in laying out 8 sections that seemed easy but took points from everyone...what a good trials event should do.

We rode 4 loops and most were finished by 2:30. Just the expert class...The two Hoovers...we're alone out on the course. There were 15 riders with Bob O not riding.

### **Results:**

**Novice:** Don Wills won by acclimation

#### **Intermediate:**

1 Kevin Hobbs 13

2 Scott Porter 26

#### **Sportsman:**

1 Rusty Lacy 26

2 Gary Heyer 29

3 Robbie Morris 45

4 Berndie Lunsford 59

#### **Advanced:**

1 David Webster 5

2 Mark Barnett 50

#### **Expert:**

1 Maddie Hoover 13

2 Gary Hoover 18

Ex scored only last 2 loops.

A great event thanks to Bob O. Next event May 15 in Lawrenceville, VA hosted by Mark Barnett and maybe Gary Heyer.
